American Cancer Society

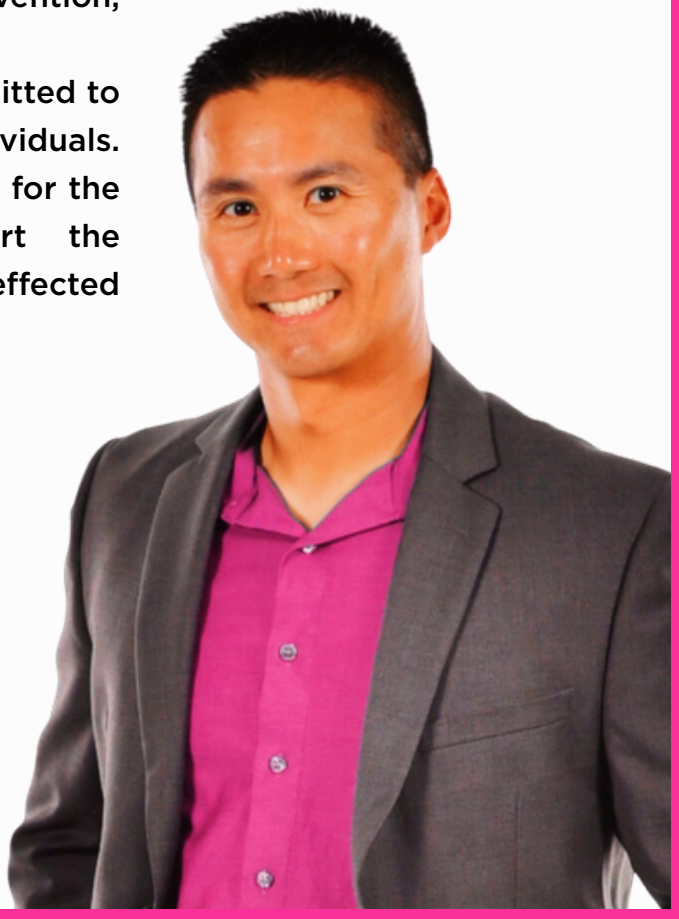

MEN WEAR PINK

Help Doug and HEALTH FIT POWERED BY SARASOTA MEMORIAL in the fight against Breast Cancer

I'm honored to take part in the Men Wear Pink campaign for a second year. From now through October 31, I will be raising funds to help support breast cancer research, early detection and prevention, and lifesaving patient support.

As a health and fitness professional, I am committed to improving the health and quality of life of individuals. Through this ambassadorship and raising funds for the American Cancer Society, I can support the improvement of these two areas for everyone effected by cancer.

I'm asking for your help in reaching my goal!
